<b>Summary:</b> (machine translated) Short, homogeneous, rappel canyon		
<b>Hydrology:</b>		
<b>Access:</b> (machine translated) Take the A-14, pass Cattolica and Pesaro until the exit at Fano. Continue on the SS-3 and after 39 km leave it and go west on the SS-257 to Piobbico (17 km). About 1 km before Piobbico turn south on the road to Secchiano and Cagli. After another kilometer, just after the hamlet of Acquanera, you pass the turnoff for Monte Nerone, but go straight on here and a few hundred meters further on, on a saddle, you reach the small walled cemetery of Rocca Leonella. This is where the access begins. Park the car about 1 km further on - past a spring - on the road to Rocca Leonella at the bridge over the Presale. (if you come from Secchiano, it is exactly 9.7 km from the junction to the bridge).		
<b>Approach:</b> (machine translated) From the cemetery, take trail no. 13 in a southwesterly direction, always climbing gently and steadily, and in about 20 minutes you will reach an iron footbridge that passes a rock face above the canyon. If you are skeptical - and rightly so - about the structural condition of this footbridge (which has since been boarded up - 2007), you can rappel into the canyon from the chain anchor marked as the entry point on the rock just before the footbridge, but you will probably have to bring ropes for a rappel of 30-40 m (estimated). Otherwise, carefully feel your way over the footbridge and then keep immediately left down into the streambed of the Presale at a mighty old but dilapidated weir structure. Here is the 1st rappel point from a small tree.		
<b>Tour:</b> (machine translated) 12 rappels, some possible jumps		
<b>Return:</b> (machine translated) At the exit the type of rock changes (red slate). You descend the last small steps in this rock and walk about 100 m in the stream. Just before the bridge, the exit is marked with red paint and a small sign. Also 50 m after passing under the road bridge, the exit is possible on the left up to the road.

Friendly tour. Saw dead porcupines on the approach. Steel footbridge still just passable. (machine translated)
