Summary: (machine translated) Forest gorge for rappeling		
Hydrology:		
Access: (machine translated) Coming from Florence on the A1, passing Arezzo and Orvieto, leave it 41 km after Orvieto at the Orte exit and continue on the SS 204 in a northeasterly direction to Terni. You still have to cross the city to get onto the SS 209 ('Valnerina') which goes up the valley of the Nera towards Visso. After 33.5 km from the center of Terni, you reach the crossroads where the new road branches off in the direction of Spoleto/Foligno. However, continue along the SS 209 in the valley of the Nera and after 6 km you will reach 'L'Eremita', a church with a house and a cemetery on the left of the road. Park the car here.		
Approach: (machine translated) South of the hermitage, a dirt road leads into an olive grove. But you leave this immediately (deviating from the sketch in 'Gole & Canyons' page 65) to cross the stream to the left (southwestward). You follow the path on the orographic right bank, which after about 200 m turns left up the slope. One climbs in the steep up to a rocky saddle and from there beyond right down to the creek.		
Tour: (machine translated) Short narrow passage, dark gorge.		
Return: (machine translated) Where the canyon opens, left on a path that leads to the Hermitage.		
Coordinates: Canyon Start 42.7862 12.8668 Canyon End 42.7847 12.8689 Parking Entry and Exit 42.7834 12.8703
