Summary: (machine translated) Short and small rappel canyon with good water flow, well suited for connecting to another canyon.		
Hydrology:		
Access: (machine translated) see directions on google nmaps under links		
Approach: (machine translated) Take the Route de la Cascade, where we parked the car, in a westerly direction as far as the bridge. Then follow the path up into the forest. We come to a road (Rue de la Roche) and follow it to the right until the next (left) haipin bend. Turn right here onto the clear tracks and down to the stream.		
Tour: (machine translated) see photo album and video under Links		
Return: (machine translated) turn right before the bridge and follow the road directly to the car
