Specialities:

§ Proscription,

Gear:

Ropes: 1x50, 2x30

Summary: (machine translated)

Deep and varied gorge in the heart of the Schiara (and thus unfortunately also in the heart of the Belluno Dolomites National Park). The access is just as long as the way back

Hydrology:

Access: (machine translated)

In Belluno, first head towards Agordo, then soon towards Bolzano Bellunese. In Bolzano, follow the signs for Case Bortot/Valle di Bolzano where you will find the parking lot for hikers at Rifugio 7 Alpini.

Approach: (machine translated)

Follow hiking trail CAI 501 to the Rifugio 7° Alpini. After the hut, continue briefly along hiking trail 502 in the direction of Forcella Oderz. The entry point of the tour is at the second stream you cross.

Tour: (machine translated)

Rappels up to 45min, several possible jumps at the bottom. Exit in the area of the concrete bridge of the hiking trail or a bit below.

Return: (machine translated)

Return to the parking lot via the hiking trail.
