Summary: (machine translated)

Typical alpine canyon, with water pools of little depth A rough environment with a long sequence of parts with no exit options until the second part of the tour, where the stream narrows and shows its full interest.

Hydrology:

Access: (machine translated)

Approach parking exit: from Merano take the SS44 in the direction of San Martino in Passiria. After the village, turn right onto the bridge into the industrial estate. Immediately afterwards, take the side road on the right and drive past the "Auto Wilhelm" garage. Before the bridge that leads to "Haselstaude", keep right where you can park a car

Parking entry: return to the main road and turn left. After approx. 1 km, turn left again towards Andreus Golf Lodge and continue along the road that climbs towards Pfandler Alm. At the hairpin bend at altitude 1026 (coordinates: 46.779489, 11.241726) take the road to the left and after approx. 2 minutes you will find the first parking lot in a bend to the right. A little further on there is an additional, small parking lot on the left for two cars.

Approach: (machine translated)

Access: the entry point is just beyond (blue markings on a wall); descend into the canyon using a tree as a rappel (rappel of about 40 meters).

Tour:

Return: (machine translated)

Exit: after the last rappel you reach the old power station and in a few minutes the car.
