The road now winds its way northwards. You cross the Bco Palomeras Fornocal (8.1 km from Rio Vero bridge). On the other side of the bridge, we can park our car on the left-hand side of the road.

<b>Tour:</b> (machine translated) 6 rappels down into the narrow, dark gorge. We then walk and jam along the bottom to the Fornocal.		
<b>Return:</b> (machine translated) First up the Fornocal stream, then left on clear tracks up to the bridge and on the road to the right to the car.
