<b>Summary:</b> (machine translated) Small rappel canyon consisting of 3 parts separated from each other.		
<b>Hydrology:</b>		
<b>Access:</b> (machine translated) From Ainsa, take the A-138 south towards Barbastro. After 23 km we pass the village of Abizanda with its distinctive tower and after 24.1 km (from the center of Ainsa) we turn left at the end of a downhill stretch onto a rustic dirt road. Where it turns east (about 50 m after turning off the A-138), we park our car (from Barbastro - T-junction N-240/N-123 - 30.5 km here).		
<b>Approach:</b> (machine translated) We go back a few meters and take the slope that descends below the road embankment to the creek - entry.		
<b>Tour:</b> (machine translated) In the first two parts walking and downclimbing, then in the third 3 small rappel.		
<b>Return:</b> (machine translated) At the canyon exit still about 30m downstream, then follow the clear exit track steeply up to the left, at the top turn west over terraced meadows onto a track that leads us back to the car, see: <a href="http://www.wikiloc.com/wikiloc/view.do?id=833561">http://www.wikiloc.com/wikiloc/view.do?id=833561</a>
