<b>Season:</b> May - October	<b>Orientation:</b> South	<b>Best Time:</b>
<b>Rating:</b> ★ 3.6 (1)	<b>Info:</b> ★ 0 ()	<b>Belay:</b> ★ 0 ()
<b>Specialities:</b>		
<b>Gear:</b> Ropes: 2x 30m		
<b>Summary:</b> (machine translated) Hiking canyon with an attractive rappel and other smaller steps.		
<b>Hydrology:</b>		
<b>Access:</b> (machine translated) From Nice on the N 202 direction Digne. After about 19 km, turn left over the Var. up the D 17 to Gillette and further behind in the Esteron valley. About 11.5 km after Gillette, you pass the junction of the road to Pierrefeu and after another 500 m you come to the bridge over the Pierrefeu. Before that, look for a place for the lower vehicle, so not near the bridge! With the second vehicle back to the junction and up towards Pierrefeu. After 2.8 km (from D 17) you come to a right serpentine and 130m further you will find at the tennis court on the left a possibility to park the 2nd vehicle.		
<b>Approach:</b> (machine translated) Again the 130m back to the mentioned serpentine. The access is signposted from this right serpentine in front of the tennis court (info - board). So the inhabitants of Pierrefeu are not bothered much and also the access to the upper part takes only 20 min. more.		
<b>Tour:</b> (machine translated) Downstream, you soon come to a 25-m rappel (belays on both sides, repeatedly vandalized); then it's downhill in the creek with charming pools to the entry to the lower section.		
<b>Return:</b> (machine translated) Either over the concreted water drainage left out to the road and the lower car or connect the Pierrefeu II (cf. there!).

Automatisch importiert von Descente-Canyon.com für Canyon Pierrefeu DC-. Un gars est venu nous interpeller sur le parking amont pour nous dire que le canyon était totalement interdit, sans justification. La réglementation précise que le canyon est autorisé les mercredis, vendredis et dimanches, sauf en cas d'arrêté préfectoral de sécheresse et/ou d'interdiction d'accès aux massifs pour risque d'incendie. On a vérifié que ce n'était pas le cas. Après lui avoir rappelé cela, le gars a tenté de se justifier par le respect de l'environnement, puis qu'il n'y avait pas d'eau, etc... Bref: respecter la réglementation mais sans vous laisser intimider par des individus qui viennent vous faire la morale écologique, tout ça à bord d'un énorme pick-up diesel. (Quelle: <https://www.descente-canyon.com/canyoning/canyon-debit/2157/observations.html>)
