Automatisch importiert von Descente-Canyon.com für Canyon Barrosa Super Canyon et complet! Le toboggan est impressionnant ^^ . Lorsqu'on voit le bâtiment avec la prise d'eau il est possible de prendre un petit chemin a gauche qui sort et rejoint un affluent ou se trouve un petit toboggan avec possibilité de le refaire. En ressortant par le chemin en face on arrive après la prise d'eau qui sera sur votre droite avec le saut de 6m.
