We drive north on the A-138 from Ainsa in the direction of Bielsa. We come via Labuerda and Escalona to the bridge over the Rio Yaga, where the Miraval canyon exits - 17 km from the center of Ainsa. We pass the hamlet of Hospital and 450 m after the bridge over the Rio Yaga we turn left at an acute angle uphill towards Tella, Revilla. We drive steadily uphill, leave the turn-off to Tella on the right after 5.7 km, continue towards Revilla and after a further 4.9 km come to a sharp right-hand bend, on the left-hand edge of which there is a large open space to park our car.

Automatisch importiert von Descente-Canyon.com für Canyon Consusa (supérieur) Magnifique canyon.L'équipement est relativement bon mais quelques points sont un peu plus abîmés et parfois mal placés, gestion des frottements à prévoir dans le doute car la roche est abrasive.Elle devient cependant particulièrement glissante dans les 2 encaissements.
