<b>Specialities:</b>		
<b>Gear:</b>		
<b>Summary:</b> (machine translated) Alpine and narrow canyon (former glacial stream)		
<b>Hydrology:</b>		
<b>Access:</b> (machine translated) See Google aerial view		
<b>Approach:</b> (machine translated) 3 options of approach are offered . Option A: We take the shuttle bus from Bellecombe behind in the valley of Rocheure to Chalet de la Rocheure. It runs throughout the summer and until the 3rd weekend in September. Takes about 70 min up and 60 min back. The first shuttle leaves Bellecombe at 08:30. Price under 10 euros. For the same price you can already leave from Termignon and leave car there.\n\nOption B: You are a cyclist, This is perhaps the fastest option. You are in the middle of the park of Vanoise and MTB is forbidden. However, cycling is allowed on this route. We ride from Bellecombe 11km on paved road. In the meantime we have to overcome a 200m height loss ( <a href="http://www.maurienne-tourisme.com/visiter_bouger/vallon-de-la-rocheure-et-refuge-de-la-femma-868144/">http://www.maurienne-tourisme.com/visiter_bouger/vallon-de-la-rocheure-et-refuge-de-la-femma-868144/</a> ). It takes about 45 - 60 min to Chalet de la Rocheure.\n\nOption C. Walk from Bellecombe to Chalet de la Rocheure; duration about 2,5 hrs.\n\nWe then continue each way from Chalet de la Rocheure on the hiking trail towards Refuge de la Femma (2340m altitude). From the right now comes down the valley of Vallonbrun. We cross the stream and climb across the meadows in the wide valley up to the entry at 2470m (about 30 min).\n		
<b>Tour:</b> (machine translated) A little more than 10 rappel, rock holes, siphons, narrow cavities		
<b>Return:</b> (machine translated) Back over the Rocheure and back on the approach trail.

Automatisch importiert von Descente-Canyon.com für Canyon Vallonbrun Fait en marchant depuis bellecombe sans navette (3h environ)Équipement RAS monopoint inox. Le siphon est bien amorcé mais on arrive facilement a le traverser. Enchaîné avec fontabert. Ça fait un grosse journée de marche et un peu de canyon. Mais c'est tellement beau! (Quelle: <https://www.descente-canyon.com/canyoning/canyon-debit/22977/observations.html>)
