Hydrology: Erst später im Jahr begehbar, wenn die Schneeschmelze nicht mehr so viel Wasser bringt - ca. August/September		
Access: (machine translated) We leave the "Autoroute du Rhône" via the Riddes exit, then drive into the center of Leytron and from there towards the neighboring village of Saillon. Before the bridge over the Sallents, we turn right and head for a suitable parking lot at the canyon exit (see Google aerial photo in photo gallery).		
Approach: (machine translated) Access best via the Via Ferrata "Farinetta" from Saillon, cf.: http://www.bergsteigen.com/klettersteig/vallais/berner-alpen/farinetta and https://youtu.be/YXBdYyVH7jA Access according to the book by Brunner/Betrissey seems no longer possible because the municipality has closed the tunnel.

I liked the combination of via ferrata and canyon. I would do it again. (machine translated)
