Good again (machine translated)

2024-08-06 | Elke Osswald | ★★☆☆ | 📖 | 📍 ★★★ | 🌊 Normal | 👍 Completed

Only walked the lower part. Entry at the 45 meter waterfall viewpoint. After that only 7 rappels, max. 22 m. (machine translated)

2024-08-05 | Peisen | ★★☆☆ | 📖 | 📍 ★★★ | 🌊 Low | 👍 Completed

Access is well marked, a hiking trail up to the cross, then up to the right and easy to the entry. The first two rappels are the dry entry into the canyon. Watch out for falling rocks with following groups. Access and canyon not as dramatic as described. Most of the anchors are drilled so that you don't have to rappel in a water jet. Entered from the right bank approach with two rappels from the rock rampart. Very continuous and some nice dips possible. Nice view of the valley and village. (machine translated)
