Reports:		
2023-10-29 Schwendemann ★★ ★ 📖 ★★ ⚓ ★★ 🌊 Normal 🍏 Completed Approach to the entrance to Rest. Fruttegg. The gorge is also passable when there is more water, as you can avoid almost everywhere in the forest. Before the ascent, be sure to check the water level at the exit in the Waldemme. If there is too much water, you can get off two rappels before the exit at the road bridge. (machine translated)
