2024-11-24 Jeroen Kirchner ★★★★★ 📖 ★ 📍 ★ 🌊 Dry 🍏 Completed Short version is described here, but the lower part is a very scenic-volcanic hike, with caves that may have been inhabited by the Guanches. It would be a shame to miss it. We continued until shortly before the highway, exited right to the secondary road + 5min of crosscountry to the highway exit and tunnel, which takes us back to the car at Cafeteria Los Roques (3-4hr) continuing to the beach would also be an option.
