Approach: (machine translated) (if the tour is done in combination with the Weittalbach: see Weittalbach access) From the parking lot, follow the left-hand path up towards the Weißachalm (not the one to the right, which leads down to the Brandenberger Ache) - past the Zöttbach and Hochtalalm. After approx. 5km, descend to the right into the Weißache (at the mouth of the Weittalbach). After approx. 150m river walk, the narrow part of the canyon begins.

Return: (machine translated) When the Weißache flows into the Brandenberger Ache, follow either the hiking trail (right) or the gravel road (left) to the next bridge (Trauersteg). If the water level passes, you can also float from the mouth to the bridge in the Brandenberger Ache.
