Spécialités:		
Matériel:		
Résumé: (traduction alternative) Relatively open rappel canyon that starts below Monte Moregallo (1276m a.s.l.) and descends to Lago di Como.		
Hydrologie:		
Accès: (traduction alternative) From Lecco - western bank of the Adda, exit Pescate of the SS 36 - we drive first on the Via Alzaia, later on the SS 583 in northern direction along the Lago di Como. After 8.9 km, after one of the numerous tunnel passages, we come to the Motel "Nautilus", located on the right between the road and the lake. Here we find space to park the car for the exit. With the second car we continue for 4.3 km, then in the village of Onno we turn left onto the SP 46 in the direction of Valbrona, Asso. From here we go uphill for 4.7 km and then, at the beginning of Valbrona, we turn left at a sharp angle into Via Ziniga. 1.4 km further on we come to a metal barrier, which is usually open. Here we park the second car (620 m above sea level).		
Approche: (traduction alternative) We take the track to the left of the tarred road in a southeasterly direction. The track continues on a footpath. After about half an hour the path crosses into the steep slopes above Vallone Moregallo and after another quarter of an hour we are at the streambed.		
Tour: (traduction alternative) Sequence of a total of 23 rappels, first in largely open terrain, after the water drainage the last four in narrower canyon. Exit directly to the lake.		
Retour: (traduction alternative) If you are afraid to go around to the right through the hotel complex to the car, you will also find a passage up to the left to the car parked below.
