<b>Spécialités:</b> Permis requis,		
<b>Matériel:</b> Cordes: 2x30m		
<b>Résumé:</b> (traduction alternative) Large canyon largely without water		
<b>Hydrologie:</b>		
<b>Accès:</b> (traduction alternative) From Marbella to Ronda, from there either via Algodonales (faster) or Grazalema (more scenic) to Zahara (about 90 to 100 km). From Zahara on the road to Puerto de las Palomas (which continues to Grazalema) about 5 km uphill until you reach a larger parking lot with signs. Here you can park your car for the access. \nFor the parking place for the car for the exit as well as for the transfer route see: <a href="https://maps.google.es/maps?saddr=36.808331,-5.392163&amp;daddr=Carretera+desconocida&amp;hl=es&amp;ll=36.808288,-5.391924&amp;sspn=0.001643,0.002258&amp;geocode=FYumMQId3bit_w%253BFfX_MQIdzX-t_w&amp;t=h&amp;mra=ls&amp;z=14">https://maps.google.es/maps?saddr=36.808331,-5.392163&amp;daddr=Carretera+desconocida&amp;hl=es&amp;ll=36.808288,-5.391924&amp;sspn=0.001643,0.002258&amp;geocode=FYumMQId3bit_w%253BFfX_MQIdzX-t_w&amp;t=h&amp;mra=ls&amp;z=14</a>		
<b>Approche:</b> (traduction alternative) From here, a footpath leads in a northerly direction down into the canyon, which can be easily seen from the nearby (approx. 100 m) Mirador del Rio Bocaleones. After about 100 meters of ascent, hikers and canyoneers reach the bottom of the canyon. For the access see: <a href="http://www.wikiloc.com/wikiloc/view.do?id=71678">http://www.wikiloc.com/wikiloc/view.do?id=71678</a> \n\nAs a canyoneer you used to keep after the fence only 50 m on the trail and then pathless left (SW) down into the canyon bottom to the upper part, but this is now forbidden.		
<b>Tour:</b> (traduction alternative) This is an impressive canyon with a large semi-cave and some extraordinary stalactite formations. It will have water only after rains, but some pools with stagnant water (quite fresh!) make at least the taking of a wetsuit useful.Begehung May 2002 and Nov. 2009.		
<b>Retour:</b> (traduction alternative) If you do not have a wetsuit with you, you can exit at the end of the canyon shortly after the first elongated shallow pool to the left. With wetsuit it goes on for about 20 minutes in the stream (reasonably rewarding and refreshing especially in the heat) to a bridge. Immediately after this exit to the right on a path that leads a few hundred meters along the stream and then meets a track coming from the left. On this road you go up to the right to Zahara (in total about 3 km).
