<b>Résumé:</b> (traduction alternative) Interesting and aesthetic river walk with many slides and without boring parts. Recommended only in summer when the water flow is (relatively) low. In spring reserved for kayakers. A further walk is tiring and no longer worthwhile - but cf. Ayasse/Dubreuil.		
<b>Hydrologie:</b>		
<b>Accès:</b> (traduction alternative) From Solenzara a few km on the N198 we come across the river Travo, then turn west on the D45 In the direction of Chisa and before reaching the airfield access road on the right. After 7.6 km (from N198), always along the river, we cross the Travo on the inubetween D645. 4,2 km further on we drive in a narrow right loop over de Ruisseau de Coda Vacca. After another 850m we park our 1st car on an open space to the right of the road. A few meters further is or was once a landfill with green wire fencing. With the second car we drive 1.5 km further and come to Pont de Bura (about 2 km before reaching the village of Chisa). Park the second car here.		
<b>Approche:</b> (traduction alternative) Access on the north side of the bridge - possibly with jump.		
<b>Tour:</b> (traduction alternative) One swimming pool follows the next. In between, running sections on smooth granite and a few places for downclimbing and slides. Finally you come to the rocks in the middle of the river, which are feared by kayakers - "STOP ,CROIX,et TETE DE MORT!" - no problem for canyonisti at low water in high summer. About 350m further downstream our tour is finished, just before the Ravin d'Ori flows in from the left. The exit is at the remains of a footbridge and is usually marked with a cairn.		
<b>Retour:</b> (traduction alternative) We follow a clear path up to the road and the lower car. So we had only 1 car available and this is at the Pont de Bura, still follows a march of 1.5 km on the tarred road.

beautiful open hiking gorge, large swimming pools at the end, several jump and slide possibilities (traduction alternative)

beautiful river walk - the upper part with prohibition signs - but nobody minded that we were there - we got out soon after the "3 piscine" - stone man - good path to the car (traduction alternative)
