Matériel: Cordes: 2x25		
Résumé: (traduction alternative) Attractive rappel canyon		
Hydrologie:		
Accès: (traduction alternative) In Lecco take the old road to Valsassina (direction Ballabio, Introbio). At the "Bar dei Bravi" turn right into Via Cernaia and continue parallel to the Caldone stream until you reach a factory area. Here park the exit car. With the second one in Valsassina to Ballabio. At the beginning of the village, turn right onto the SP 63. In many serpentines and curves, we go up along the edge of Val Boazzo for 5.3 km (from the junction in Ballabio). Where a dirt road turns off to the right, we park the upper car.		
Approche: (traduction alternative) Follow the slope until you reach the stream.		
Tour: (traduction alternative) Open at the beginning, the canyon soon narrows and a succession of rappel begins. There is also a siphon to watch out for.		
Retour: (traduction alternative) Next to the stream, a path begins on the left side. This passes after about 5 min. a kind of recreational area. Here you change the river side to a slope and quickly reach the factory area on it.

A great adventure for canyonists with lots of experience. Rio Caldone, also known as Val Boazzo, is a very beautiful canyon that exits in Lecco. The canyon consists of two parts, which differ considerably in scenic terms. The tour with both sections takes a relatively long time - including parking, the tour takes about 7 hours in total. There is a very dangerous siphon in the upper part! Tour video:
