Rapports:		
2024-01-27 Horst Lambauer 📖 📍 ★★ 🌊 Haut 🔴 Pas fait beautiful canyon, which is rarely climbed. have set 2 new rings at the 70. (traduction alternative)		
2023-07-07 Martin Jasek ★★★★ 📖★★ 📍★★ 🌊 Normale 👍 Terminé Interesting canyon full of rappels in water course, last waterfall can be issue with higher water level, because of the water pressure in lower part. Also didn't hit return path and spend 1 hour walking in river, while we reach car. Be careful that you are in the right stream, many sources have confusion with the starting point and lead to Malenscek, for the first time we did Malenscek instead of Volarja !!!
