Rapports:		
2024-08-29 Enrico Garbaini ★★ 📖 ★ 🚧 ★ 🌊 Normale 🍷 Terminé Canyon with medium level of water, lower parking close to ad old house after a field. Upper parking is before the bivy with path sign, park for 7 cars. Inox anchoring in place, some rappel on trees, is possible to avoid many waterfalls. There are many emergency exits in the first part. On the 20m rappel is better to use a sistem to avoid the waterfall. Friction on some rappels. Higer rappel 20m. First pic is the first rappel, second and third is the water level at the bridge close to the entrance. good condition with this level.
