Résumé: (traduction alternative) Ribeira Funda is a beautiful canyon located in the small village of the same name. The canyon is cut to a depth and is characterized by two extremely spectacular abseils. The tour exits a few meters from the Atlantic Ocean.		
Hydrologie: Der Wasserstand ändert sich von Tag zu Tag ohne erkennbaren Grund. Manchmal hat man direkt ab dem Start einen kleinen Durchfluss, manchmal sind die ersten 200 Meter trocken. Spätestens am hohen Wasserfall speisen diverse Quellen den Canyon. Nach sehr langer Trockenzeit fallen im unteren Bereich einige Stellen trocken (zuletzt beobachtet im Sommer 2023). Bei hohem Durchfluss wird der letzte Wasserfall kritisch, es gibt unten zwei Klebehaken auf einem großen Felsblock für einen Rappel Guidé.		
Accès: (traduction alternative) VE2 highway from Seixal to Porto Moniz. If you only have one car, you can park in Ribeira Funda. Larger groups with several vehicles should park at the exit of Seixal, which makes access considerably longer.		
Approche: (traduction alternative) From Ribeira Funda it is a short, easy to find hiking trail to the canyon of the same name.		
Tour: (traduction alternative) It begins with a downclimb, a small rappel and a short run. This is followed by the 60 meter high waterfall, for which there are anchor points on both the right and left banks. Below the C60, the canyon is cut deep, at the following C8 it becomes almost dark. This is followed by several small to medium rappels, some of which are jumpable. The C22 at the end is another beautiful waterfall.		
Retour: (traduction alternative) The tour exits directly on the old coastal road along the Atlantic.

The first few meters were dry, then low water flow. Beautiful rappel with exit at the sea. Short tour, we did Vimiero the same day before. Stands ok. (traduction alternative)
