## Avertissements:

*General prohibition of access (Triglav National Park) (annuellement 01.01. - 31.12.)*

With a few exceptions, there is a general ban on canyoning in the Triglav National Park. [https://win.aic-canyoning.it/forum/topic.asp?TOPIC\\_ID=2132&whichpage=2](https://win.aic-canyoning.it/forum/topic.asp?TOPIC_ID=2132&whichpage=2)

## Spécialités:

### Matériel:

Cordes: 1x30m

### Résumé: (traduction alternative)

Alpine hiking canyon with a 15m abseil point and several obligatory slides and jumps (max. 4m)  
\nRecommendable as a beginner's canyon or half-day tour, but the belays are very poor.

## Hydrologie:

### Accès: (traduction alternative)

Drive from Kranska Gora in the direction of the Vrsic mountain pass. Park immediately after the road crosses the Pisnica (dam).

### Approche: (traduction alternative)

Cross the dam and behind it cross the mostly dry streambed via a concrete ford.\nAt the fork, follow the crossing tracks into the gravel bed of the Mala Pisnica. In the gravel bed, follow the path uphill for about 1.2 km until you can climb up into the mountain pines at a painted-over color point on the right. Follow the well-trodden path over sandy ridges into the forest above where you meet another very good path. \nA little later, you will also meet the old path that used to cross the Schrofенflanke, but is now largely derelict. From here, the route descends horizontally to slightly downhill through beautiful high forest. At a wide, gravelly streambed, you descend about 20 m into the main gorge.

### Tour: (traduction alternative)

After a short hiking section with small slides, a first low gorge follows with 3 slides up to four meters - check beforehand from the right canyon rim whether all pools are deep enough. After a short hike, the only rappel in the gorge follows - 15m, anchors on the right (the only fixed belays in the gorge). After another hiking section in the sunny Schrofenschlucht gorge, it gets tight at 100m, two 4m jumps over clamping blocks await in this part. The canyon opens up again before a final low gorge follows after a short section of hiking (several small slides and jumps). Behind this gorge you will usually meet bathers, as this part is accessible from below.

### Retour: (traduction alternative)

Walk back to the parking lot through the wide gravel bed.
