Approche: (traduction alternative) Take the train to Wengen, from there follow the hiking trail. Alternatively, walk up from below on the hiking trail.		
Tour: (traduction alternative) The Rybi Canyon is a very beautiful canyon between Lauterbrunnen and Wengen. The access is a very easy to walk hiking trail with a superiore view of the valley (Lauterbrunnen), the Swiss mountains and the Mättlibach stream. The Rybi canyon is only visible from the hiking trail at second glance: The high waterfall of Canyon Mättli attracts everyone's attention. The Rybi is a little to the left and is much more difficult to spot. The Rybi canyon has several impulsive key points. There is a good shower at several waterfalls. The canyon is moderately well equipped - a few new anchor points wouldn't hurt.		
Retour: (traduction alternative) Turn right out of the stream and follow the hiking trail back down to the car.
