## Rapports:

2024-10-06 | Nico Schneider | ★★☆☆ | 📖★ | ⚓★ | 🌊 Normale | 🍏 Terminé

All anchors are still there. At the moment the canyon is very grippy. (traduction alternative)

2024-09-29 | Emi | ★★☆☆ | 📖★★★ | ⚓★★ | 🌊 Haut | 🍏 Terminé

Quite sporty water level. Not impossible as rarely through the main water jet. The main danger is the stones that the water drags along. Take a little care there. Orographic right intermediate belay damaged during the big rappel, which is why we took the left one. Ans. Relatively good stances but a bit loose. A wrench for retightening is almost a must. We also had it with us and tightened the stances we used. (traduction alternative)

2024-09-19 | Christoph Cramer | ★★☆☆ | 📖★★★ | ⚓★★ | 🌊 Normale | 🍏 Terminé

Scenic short tour with spectacular final waterfall. All belays in good order and mostly designed as double expansion anchors with a ring. (traduction alternative)

2023-10-14 | Inga | ★★☆☆ | 📖★★★ | ⚓★★ | 🌊 Faible | 🍏 Terminé

Everything ok. In places a few anchors too much... With rope jam in 1:15 through (traduction alternative)

2023-10-01 | Christian Balla | ★★☆☆ | 📖★★★ | ⚓★★ | 🌊 Normale | 🍏 Terminé

Very beautiful canyon. Video of the tour: <https://www.youtube.com/watch?v=KAMqLhS10W8> (traduction alternative)
