Here you can park the car.

New large collective parking lot €5,- (incl. ID check), is very heavily used commercially (very early or late start) otherwise plan waiting times, can be combined well with the Vacca, otherwise everything is top (traduzione alternativa)

Automatisch importiert von Descente-Canyon.com für Canyon Polischellu Jamais vu autant de monde de ma vie. Préférez un départ à 8h dans le canyon ou après 17h pour n'avoir personne. On s'est fauilé entre les groupes, il ne semble y avoir qu'un seul rappel obligatoire. Mais sinon c'est énorme ! A beautiful canyon that is heavily used. The rigging is, as would be expected of such a well-used canyon, excellent. we left later than intended at around 11, we met other guides, and their respective groups in the canyon, who were very friendly (in spite of our lack of french ability) and even pointed out that the first drop could be slid by downclimbing into a seated position about 2 m below the top. The tour is short and most drops can be either slid or jumped. All access to this canyon as well as Vacca and Purcaraccia is prohibited for anyone that is
